

Emerging Issues in Insurance Coverage Seminar

May 10, 2018

Please join Coughlin Midlidge & Garland at the Hyatt Regency in Jersey City, New Jersey as we host our seminar entitled, "Emerging Issues in Insurance Coverage" on Thursday, May 10th from 1:00pm-4:30pm, followed by a networking reception.

Topics covered:

- When does a "claim" "relate back" under claims made policies?
- Developments in construction defect law
- Allocation of long tail claims after *Viking Pump* and *Keyspan*
- Additional insured coverage - life after *Burlington*

This seminar is free of charge. Application for New Jersey CLE accreditation of this seminar is currently pending. NY attorneys may apply the credit from attendance through the NY Approved Jurisdiction Policy. For more information, please email cdevents@cmg.law.
