Morris County's Top Lawyers 2020

July 6, 2020

Coughlin Midlige & Garland LLP warmly congratulates Jason A. Meisner and Pandora J. Thompson for their inclusion in *Morris County's Top Lawyers 2020*. Mr. Meisner was selected for his Business Law practice and Ms. Thompson for her Wills, Trusts and Estates practice.

Morris/Essex Health & Life contracted DataJoe Research of Boulder, Colorado to conduct an online peer-vote process which was then used to create the Top Morris County Lawyer listing. Attorneys throughout Morris County, New Jersey were asked to select peers whom they deem are the best within their practice area and whom they would seek out for particular legal needs. DataJoe verified that each named honoree met certain criteria including a current, active license status with the State of New Jersey regulatory board. DataJoe presented the tallied result to *Morris/Essex Health & Life* for its final review.
